Dear Mr. Stockman:

I am responding to the request of Mr. James M. Frey, Assistant Director for Legislative Reference of the Office of Management and Budget, for Department of State comments on enrolled bill S.J. Res. 65.

The Department concludes that enactment of S.J. Res. 65 would entail no additional cost to the Government, nor would it require additional personnel to implement.

Therefore, the Department sees no objection to, and fully recommends, Presidential approval of S.J. Res. 65.

Sincerely,

Richard Fairbanks
Assistant Secretary
for Congressional Relations

The Honorable
David A. Stockman,
Director,
Office of Management and Budget.
